

Future Architect and their Fantastical Skyscraper

Draw the future architect and the most fantastic skyscraper ever designed!

You will need:

- Paper
- Pens, or colouring pencils

Instructions

1. Follow the instructions in each section on the right.
(Don't forget to draw past the dotted line before the next step so that the next player can continue from where you left.)
2. Then fold the paper backwards and pass to the next player.
3. Once all sections are complete, open it up and send a picture to: marketing@fosterandpartners.com
