Foster + Partners named as Top Employer UK 2017

Foster + Partners has been certified as Top Employer UK 2017 by the Top Employers Institute, a global certifier of excellence in employee conditions. This certificate recognises the practice's commitment towards each member of staff, and the values it nurtures in order to attract the best global talent.

The annual international research, undertaken by the Top Employers Institute, recognises leading employers around the world: those that provide excellent employee conditions, nurture and develop talent throughout all levels of the organisation, and which strive to continuously optimise employment practices. Crucial to the Top Employers Certification is the completion of a stringent research process, and meeting the required standard in order to achieve the certification. To further reinforce the validity of the process, all answers were independently audited and validated.

Charlotte Sword, Global Head of Human Resources, Foster + Partners:

"Foster + Partners are thrilled to be identified as a Top Employer in the UK. We know that our ability to consistently deliver outstanding and innovative work is down to our staff. This certification is a mark of distinction for Foster + Partners – one that reflects our profound dedication to our people."
