Walk and ride through London with Foster + Partners

With outdoor activities being the flavour of the season, we have drawn up a few routes through the city that you could take on with friends and family. Suitable to bike or walk, each route features a selection of projects by the practice in the capital, introducing some of our ongoing work and reacquainting you with some old favourites.

On Sunday, 1 November we will be travelling across London from Wembley Stadium to South Quay Plaza, stopping off at several Foster + Partners projects such as Trafalgar Square, 30 St Mary Axe, Bloomberg, Millennium Bridge, and Canary Wharf Underground Station. You can follow our live journey on Instagram.

West End | 5.6km

An ideal route to experience Foster + Partners' projects in and around the West End. The route starts out on Regent Street, one of the most famous retail avenues in London, passing through Trafalgar Square, and ending at the Great Court at the British Museum.
